 - Outstanding academic results / above-average grades.
 - Social commitment is a plus.
 - Willingness to contribute to the program over a period of one year.
 - Proficiency in English (program language is **English**)
-

PARTICIPANT FEEDBACK

“[...] School for Talents was an incredibly valuable and transformative experience. The program provided me with a wealth of knowledge and skills that will serve me well in my future endeavors. Along the way, I participated in exciting workshops and created an interesting project related to sustainability as part of a team.”

Berkay Tanis, M.Sc. Electromobility, Participant 2022/2023
