Information on courses in the summer term 2020 at the chair of ABWL, especially International and Strategic Management

In the current situation of the COVID 19 pandemic, it is very important that you keep in mind the following information:

- regardless the format of the lectures (face-to-face or digital), please take into account the regulation of the state government on infection-protective measures against the spread of the SARS-Cov-2 virus (CoronaVO)

- questions on the contents of the lectures will of course be answered, but preliminary via phone and e-mail. Please take into account the telephone office hours of the staff members (see homepage)

- for appointments with Prof. Oesterle, please contact the secretary's office due to his additional function as dean and the respective limited availability

- in order to be able to answer all questions promptly and appropriately, we ask you to collect them, for example in digital learning groups, and to forward them in bundles to the respective staff member

- even in case of group work, e.g. in seminars, please only coordinate digitally or by telephone
